Non-Verbal Ski Teaching

We accept customers from various countries in our ski school. We are all skilled professional and earnest ski instructors with official certificates. Please keep in mind that compared to our ski skills and techniques we will provide you, our linguistic skill for English is a little bit humble. We instruct you by gesture and hands-on-approach mainly. We also demonstrate in front of you and fix your posture. This will make a great achievement.

Ski debut Package

You don't have to bring anything to Whitepia. Enjoy the finest snow area.
After a day on the slopes, simply drop your rental gears off and head to your hotel.
